DART First State Bike and Bus
www.dartfirststate.com • (800) 652-DART

All DART buses statewide are equipped to carry bicycles. Information on DART's more than 60 local routes, including fares, can be found at www.dartfirststate.com. All local buses have racks on the front to store two bicycles.

In addition to these local routes, three routes provide intercounty service throughout Delaware. The 301 bus carries bicycles between Dover, Smyrna and Wilmington. This service is especially convenient for cyclists wanting to take one way bike trips into the southern part of the county from Wilmington. The bus travels on Delaware Route 1, stopping at selected park and ride lots as noted on the map.

Bicycles can be placed on the bicycle racks located on the front of the bus. The 301 bus offers service between Wilmington to Dover; the 302 bus offers service between Dover to Newark; the 303 bus offers service between Dover and Georgetown; and the 307 bus offers service between Lewes to Dover. The one-way fare rates and service hours of operation are on the DART First State website.

Have Fun. Curb Your Car.

It's easy to live a car-lite, or even car-free, lifestyle in Delaware! Use your bicycle and these tips to start down the path to a healthier, more efficient form of travel.

1. Find your home on the Delaware Bicycle Maps and draw a circle with a one- or two-mile radius around it. Use a highlighter to mark places inside the circle that you regularly visit.
2. Choose a familiar place and try bicycling rather than driving. See if you can find a comfortable route and secure parking. Add a new location every 1-2 weeks.
3. See if you can find a closer destination for errands that fall outside your circle. By slowly increasing the number of bicycle trips and incorporating transit or using a carshare program, you'll be living car-lite in no time!

Bicycling in Delaware

This map series is just one step that the Delaware Department of Transportation (DelDOT) is taking to encourage all modes of transportation. It features a network of State, regional, and connector routes to help cyclists get where they need to go. All roads in the state of Delaware, except limited access or express state highways (which includes I-95 and the Delaware Memorial Bridge), may be traveled by bicycle.

DelDOT has several road improvement projects and studies to make bicycling and walking safer and more pleasant. These are listed online at deldot.gov/information/projects/. Any new roadway project in Delaware needs to accommodate bicyclists and pedestrians.

Along with road improvements, initiatives going on in the state include:

- Blueprint for a Bicycle-Friendly Delaware
- Bicycle Safety Checks
- May Bike Month
- Delaware Bicycle Helmet Bank

Learn more about Delaware's active bicycling community of shops, clubs, and advocacy organizations by visiting DelDOT's bicycling webpage: deldot.gov/Programs/bike.

Have fun bicycling!

Safety

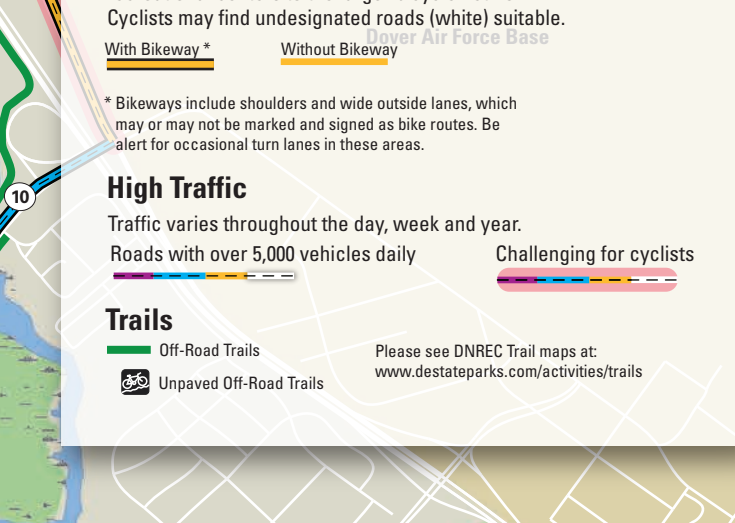

The Helmet Law

Children under the age of 18 must wear a helmet while bicycling or in a trailer or bike seat. The helmet law also led to the formation of a bicycle helmet bank to provide free helmets to children who cannot afford to buy them. Helmets are available through the public schools, or you can contact the DelDOT bicycle coordinator at 302-760-2260.

Get There Safely. Know Your Responsibilities.

Share the road. Don't assume motorists can see you. Never ride against traffic. 3Cs: Courtesy, Caution, Common sense. Follow signs and signals.
